

Chapelton Academy **Y13** Curriculum Intent Plan

Subject: **Economics**

These are the skills (procedural knowledge) that you can expect to develop in Economics over your first year of the course (AS/Y12/Year1). Each week, the procedural skills column highlights the skills explored and used in that lesson:

- a. Answering calculation (2 mark) questions (use of mean, median, mode, indices, percentage change)
- b. Interpreting and using source-based numerical data/statistics effectively (answering 4-mark questions, 10-mark Paper 3 question and using data effectively for A02, A03 and A04)
- c. Interpreting and using qualitative/normative source data and applying contextually (A02) to enable Analysis (A03) and Evaluation (A04)
- d. Drawing diagrams for; Knowledge (A01), Analysis (A03) and Evaluation (A04)
- e. Answering 9, 10, 15- and 25-mark questions, using explain and analysis chains of reasoning
- f. Answering essay (25 mark) questions (intros and conclusions; how, why and meaning of evaluation – PEEL EEL; synopticity/context)
- g. *Evaluative and summary note-taking skills*
- h. *Communications and presentation skills*
- i. *Collaboration skills*
- j. *Managing time limited tasks*
- k. *Organisation skills*
- l. *Problem-solving skills*
- m. *Independent thinking/learning skills, including reflection*
- n. *Exam error solving*
- o. *Revision techniques*
- p. *University, apprenticeship and employment pathways*
- q. *Economics for life skills e.g. understanding the tax system, wage slips, contracts etc.*

Week & Date	No of lessons	Lesson order of content (disciplinary knowledge) GM – Blue HD - Yellow	Other content (Disciplinary knowledge), that this topic links to/develops on	Skills (Procedural knowledge) developed	RS revision knowledge topic – you can add it here if it helps	HW focus, reasoning and skills – you can add it here if it helps HOMEWORK IS SET BY BOTH TEACHERS	Student Reflections

Within this document is a breakdown of each topic area and the detail breakdown of each Unit

1 4 th September 2023 4 th Sept Staff Inset 5 th Sept Y12 Start 6 th Sept Y13 Start	Helen – 3 per wk Gabe – 2 per wk	NO LESSONS MONDAY – STAFF INSET Diagnostic and recap -based lessons (maths for economics/diagrams/chains of reasoning) Helen – Both aspects	A review of key learning from AS where students typically find difficulties (links to learnings from 2023 exam) Links to key concepts that are built upon in A2 e.g. policies, key diagrams	A to F G, I, J, L, M, N, O C, D, G, H, L	All RS is set by HD this academic year. Between Sept and Nov, this will be via Seneca. After parents evening, RS will be bespoke to students SENECA Economic Methodology & Measures of Macro performance	Diagram Practice booklet questions (tutor2u) to assess baseline understanding for A2 work (C, D, E, N, O)	
2 11 th September 2023		4.1 Market Structures 4.1.4.1 Production, costs and revenues	Links and builds on AS learning relating to economies and diseconomies of scale and specialisation, as well as core formulae relating to profit.	A, B, C, D, M D, E, Q	How the macro economy works & Unemployment		

	<p>4.1.4.2 specialisation, division of labour and exchange</p> <p>4.1.4.3 the law of diminishing returns and returns to scale</p> <p>To reinforce and extend knowledge and understanding of the different costs and revenues, and how they can be affected by technological change</p> <p>4.1.7 Poverty & wealth - intro</p> <p>To learn how and why income and wealth are unequally distributed, and what could and should be done about it</p>	<p>P&W links well to Labour Market economics but is a more accessible introduction. It also links well to aspects of globalisation as data on wealth can be compared with that of other countries.</p>	<p>B, C, M,</p> <p>C, G, H, J, K, L, M</p>			
<p>3</p> <p>18th September 2023</p>	<p>4.1 Market Structures</p> <p>4.1.4.3 the law of diminishing returns and returns to scale</p> <p>4.1.4.5 economies and diseconomies of scale</p> <p>To reinforce and extend knowledge and understanding of the different costs and</p>	<p>As above and diagrammatic links to Labour Markets and the influence of and on different market structures</p> <p>Links into and helps to cement understanding within Product market diagrams i.e. monopoly v's monopsonist. And begins</p>	<p>B, C, M</p> <p>B, C, D, E, G, I, L,</p> <p>B, D, G, H, J, K, L</p>	<p>Economic growth & Inflation and Deflation</p>		

		<p>revenues, and how they can be affected by technological change</p> <p>4.1.6 Labour Market 4.1.6.1: The demand for labour, marginal productivity theory</p> <p>To learn about influences on the demand and supply of labour and how wage rates and levels of employment are determined in perfectly competitive labour markets</p>	<p>to explore government intervention into market failure. Also links with Maro Unemployment and Min/Max prices</p>			
<p>4 25th September 2023 27th Sept Y12 Awards</p>		<p>4.1 Market Structures 4.1.4.4 costs of production</p> <p>4.1.4.6 Marginal, average and total revenue</p> <p>4.1.4.7 Profit</p> <p>To reinforce and extend knowledge and understanding of the different costs and revenues, and how they can be affected by technological change</p> <p>4.1.6 Labour Market 4.1.6.1: The demand for labour, marginal productivity theory</p>	<p>As above. Links back to core Demand and Supply concepts, along with Utility. Allows links back to Elasticity (PeD) as a core economic concept.</p> <p>As above.</p>	<p>A, B, C, D, M</p> <p>A, B, C, D, I, L, M</p> <p>A, B, C, E, G, I, L, Q</p> <p>A, B, D, G, H, J, K, L</p>	<p>Fiscal Policy & Supply-side Policy</p>	

		To learn about influences on the demand and supply of labour and how wage rates and levels of employment are determined in perfectly competitive labour markets					
5 2 nd October 2023		<p>4.1 Market Structures</p> <p>4.1.4.4 costs of production</p> <p>4.1.4.6 Marginal, average and total revenue</p> <p>4.1.4.7 Profit</p> <p>To reinforce and extend knowledge and understanding of the different costs and revenues, and how they can be affected by technological change</p> <p>4.1.6 Labour Market</p> <p>4.1.6.1: The demand for labour, marginal productivity theory</p> <p>To learn about influences on the demand and supply of labour and how wage rates and levels of employment are determined in perfectly competitive labour markets</p>	<p>As above. Links back to core Demand and Supply concepts, along with Utility.
